

**Precise, Efficient** and **Cost Effective** is how our customers describe Crown's Scheduled or Routed Service.

If you have recurring, time-definite pickup and delivery needs then Scheduled/Routed Service is your solution. Crown will schedule on route, pre-arranged pick-up and delivery of your shipments, same-day. This lets us save you time and money!

We are flexible too. If required, we can tailor or dedicate routes to meet your and your customers specific needs.
