

**Knowledgeable, In-valuable, and Partners** are what customers say about our Facility Management staffs.

Crown Delivery and Logistics offers our customers a complete mailroom management service by supplying customized solutions that include absorbing the entire mailroom function.

From mail meter management, to distribution, packing, routing, dispatching, messenger delivery, clerical, maintenance and management personnel, Crown can create a system that is right for you.

Eliminate the costly expense of maintaining an employee network while maintaining control of the process. What could be easier!

Call Crown and let us become...

**Your Outsourcing Partner!**
